

# Prince George's Community College

## Undergraduate certificate in Computer Aided Drafting

### Program Length: 18 months

[Print](#)

#### Students graduating on time

**N/A\*** of Title IV students complete the program within 18 months

\*Fewer than 10 students enrolled in this program. This number has been withheld to preserve the confidentiality of the students.

#### Program Costs\*

**\$2,875** for in-state tuition and fees

**\$6,421** for out-of-state tuition and fees

**\$1,500** for books and supplies

Other Costs

Visit website for more program cost information

\*The amounts shown above include costs for the entire program, assuming normal time to completion.

Note that this information is subject to change.

#### Students Borrowing Money The typical graduate leaves with

**N/A\*** in debt

\*Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

#### The typical monthly loan payment

**N/A\*** per month in student loans with an interest rate of **N/A\***.

\*Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

#### Graduates who got jobs

**N/A\*** of program graduates got jobs

\*We are not currently required to calculate a job placement rate for program completers.

#### Program graduates are employed in the following fields:

Industrial Production Managers

Quality Control Systems Managers

Geothermal Production Managers

Biofuels Production Managers

Biomass Power Plant Managers

Methane/Landfill Gas Collection System Operators

Hydroelectric Production Managers

Construction Managers

Architectural and Engineering Managers

Cost Estimators

Computer Programmers

Software Developers, Applications

Software Developers, Systems Software

Cartographers and Photogrammetrists

Surveyors

Geodetic Surveyors

Industrial Engineers

Human Factors Engineers and Ergonomists

Manufacturing Engineers

Microsystems Engineers

Nanosystems Engineers

Architectural Drafters

Civil Drafters

Electronic Drafters

Electrical Drafters

Mechanical Drafters

Drafters, All Other

Aerospace Engineering and Operations Technicians

Civil Engineering Technicians

Electronics Engineering Technicians

Electrical Engineering Technicians

Electro-Mechanical Technicians

Robotics Technicians

Environmental Engineering Technicians

Industrial Engineering Technicians

Mechanical Engineering Technicians

Automotive Engineering Technicians

Non-Destructive Testing Specialists

Electrical Engineering Technologists

Electromechanical Engineering Technologists

Electronics Engineering Technologists

Industrial Engineering Technologists

Manufacturing Engineering Technologists

Mechanical Engineering Technologists

Photonics Technicians

Manufacturing Production Technicians

Fuel Cell Technicians

Nanotechnology Engineering Technologists

Nanotechnology Engineering Technicians

Surveying Technicians

Mapping Technicians

Geophysical Data Technicians

Geological Sample Test Technicians

Nuclear Equipment Operation Technicians

Engineering Teachers, Postsecondary

Postsecondary Teachers, All Other

Commercial and Industrial Designers

Occupational Health and Safety Specialists

Solar Photovoltaic Installers

Hazardous Materials Removal Workers

Service Unit Operators, Oil, Gas, and Mining

Automotive Master Mechanics

Heating and Air Conditioning Mechanics and Installers

Refrigeration Mechanics and Installers

Medical Equipment Repairers

Precision Instrument and Equipment Repairers, All Other

Welders, Cutters, and Welder Fitters

Solderers and Brazers

Water and Wastewater Treatment Plant and System Operators

Inspectors, Testers, Sorters, Samplers, and Weighers

Semiconductor Processors

## **Licensure Requirements**

Program meets licensure requirements in:

**Maryland**

## Additional Information

Date Created 4/3/2018
